

**Green Valley Tennis Club
Special Meeting
April 20, 2011**

President Hugh Bennett opened this special meeting of the Green valley Tennis Club.

Members of the Board in attendance were Katy Banks, Don Herron, Carolyn Herron, Rene' Mosley-Smith, Glenn Smith, Mike Schultz, Judie Mordock, Mary Ann Woodrow and Hugh Bennett. Guests were Guy Sundvik, John Adderley, Kathi and Keith Skytta, Joe Frazier, Jan and Norm Welker, Dick Dempsey, and John Schwartz.

Old Business

Motion was made by Judie Mordock to approve the budget as presented at the April 6th meeting and was seconded by Glenn Smith. The motion passed.

New Business

Purpose of this special meeting was to further discuss the motion that was passed at the April 6th meeting to move the ball machines from Las Campanas to the East Center court. After discussion (comments by Board Members and Guests are attached to these Minutes) Hugh Bennett summed up as follows:

“Cost, time and effort far out weigh the benefits of moving the Ball machines from Las Campanas to East. We can take no action this summer even though the Board voted for this change. Board members are going to be scattered to the four winds by May, so there would be no action until the Fall...I am not going to ask GVR to do anything. The Ball machines remain at Las Campanas. The rules for the machines also remain the same.

Motion was made for adjournment by Katy and seconded by Mike, with the motion passing.

Next meeting of the Tennis Board will be on Wednesday, October 5, 2011.

Respectfully submitted,

**Linda Turck,
Secretary**
